

IMPORTANT IMMUNIZATION INFORMATION

Meningococcal Vaccine

This vaccine is now required for all 7th and 12th grade students in Iowa.

Influenza (Flu) Vaccine

- FluMist is not produced anymore due to its ineffectiveness to fight the flu. Flu shots will not be given in the schools, but are available at the Atlantic Medical Center.
- All ages are welcome to attend our Flu Clinics! Stop in any Wednesday in October from 11 am to 6:30 pm to receive your flu vaccine at the Atlantic Medical Center.

**October 4th • October 11th
October 18th • October 25th**

- Flu clinics will also be held at our satellite clinics on the following dates:
 - Griswold October 9th 4:30-6:30pm
 - Anita October 16th 4:30-6:30pm
 - Massena October 23rd 4:30-6:30pm

Questions? Not sure if your child is up-to-date?

*Please call Patient Services at
Atlantic Medical Center at 712-250-8122.*
